Description of Entry:

- A contest entry form must be completed for each item entered.
- All models shall be built entirely by the entrant, or photographed by the entrant, without help from any other person. Entries should relate to narrow gauge subjects or related items including short line railroads. Only registered convention attendees, vendors, or volunteers may submit entries: no "proxy" entries will be permitted.
- Contest rules are available at our website and at the contest desk at the convention. Rules and guidelines governing specific general consists will be detailed with each listing of contest categories.
- A limit of one model or photograph may be entered for each category in the contest.
- A model or photograph that has won first place in a previous national convention cannot be entered in the same category as previously awarded.
- Photo size may range from 5"x7" to 12" on the longest side; this will be strictly enforced. Photos with mounts may range in size to 5"x7" to 12"x16"; this will be strictly enforced. No frames or glass cover will be permitted, but photos may be matted. Unmatted photos must be mounted on cardstock or foam core, or similar. Digitally and computer enhanced photos, such as adding smoke or backgrounds, is permitted.
- Each entrant is encouraged to complete the Model/Photo Description form (below) to be displayed with the entry.
- Contest entrants will be responsible for placing their models/photos on the appropriate tables. Entrants should be aware that convention committee members and volunteers may need to rearrange entries as needed for spacing purposes and for photographing contest winners.

Your signature releases the convention hosts and hotel from any and all liability for any or all damages or other mishap that may happen to the above contest entry model or photograph.
